Pianos for sale at Low Prices! Upright Pianos, Baby-Grand Pianos and Grand Pianos We are a leading UK piano shop established 1981 on Hampshire/Dorset/Wiltshire borders with new and second-hand grand pianos, baby grands and upright pianos for sale. Unrivalled expertise in the supply, pre-sale preparation and aftercare service of new Yamaha pianos and other leading piano makes, we are proud to be a genuine family business regularly receiving Top Dealer Awards. You will be assured of receiving market-leading service and guaranteed lowest UK prices. Brodmann Pianos Brodmann pianos have a distinctive tonal character that is very colourful, melodic and clear. The Brodmann 'Vienna' action is very responsive, bringing the full dynamic and expressive range of the Brodmann piano within easy reach. Brodmann pianos are excellent instruments that are very affordable. Highly recommended. Yamaha Pianos Yamaha pianos are industry standard pianos that offer a balanced sound that is neutral and projects well. Yamaha pianos have become a household name for the piano, which is why they continue to be very popular. We recommend the B3, U1, U3S Yamaha uprights and the GB1K and GC1M Yamaha baby grands, C3M and C6M Yamaha grand pianos. We keep these models in stock as standard. Venables & Son Pianos Venables & Son pianos are something very close to our hearts. Having secured a highly efficient and precise piano manufacturing facility to build a select line of upright and grand pianos to 'our' specification, all our knowledge and expertise in piano components and design, comes to life in the development of our exclusive Venables & Son piano range. Unique design, material selection and build quality - finished by us personally in Ringwood, Hampshire - results in a soft, rounded tone that, until now, has not

been available at such affordable prices.
