"A century of heritage and experience" We know that when it comes to pianos, one size does not fit all. Our dedicated team of musicians and piano technicians will guide you in every aspect to find the perfect piano for your needs. For over 100 years, Montague Pianos has proudly offered an unparalleled level of service and quality when it comes to choosing the perfect instrument for your needs. Located in Camden Town, London, and Berkhamsted, Hertfordshire, we have a wonderful range of new and second-hand pianos for sale or hire. We are also experienced piano tuners and offer piano removals services around the area of

London. Selection Process

All pianos go through a rigorous selection process starting with an in depth technical appraisal by our in-house piano technician. We check on the tonal qualities and satisfaction of playing. Each piano is then prepared accordingly.

The level of showroom preparation that our pianos receive is unmatched - as are the credentials of the professionals we bring onboard to do this.

Sauter Pianos

Our exquisite German SAUTER pianos are prepared by the internationally acclaimed Dietmar Assimis-Kohls. Dietmar is the piano Consultant for the Purcell School of Music, Eton College and Morley College, and having worked his apprenticeship at the SAUTER factory in Germany, he is uniquely qualified to ensure that our SAUTER pianos are perfectly prepared.
