We stock Fine Quality instruments, modern second-hand and restored older instruments, with prices starting from as little as £490 including delivery, offering a wide variety of choice. Uprights and elegant grands. Traditional and modern, with on site workshop and our two technicians having over 40 years experience of rebuilding pianos between them. A variety of finishes available, from traditional french polish to modern high gloss finishes. The premises, parts of which date back to the 16th century, consist of our workshop and several showrooms, where we have on display not only our pianos but a wide variety of accessories, including stools and secondhand music. The final price of a piano includes free delivery (30 mile radius, ground floor premises, this covers most of Herts & Beds and areas of Cambridgeshire and Bucks), a complimentary tuning and full guarantee. We are able to offer nationwide delivery at a competitive additional charge.
