MATCO PIANO TRANSPORT Ltd is a company specialising in moving pianos.

Our crew has years of experience in the handling of pianos in all kinds of circumstances,
with any kind of grade of difficulty.

We transport grand and upright pianos and other instruments of any size to any place.

Mezzanine floor or filmset, gardenpath or maisonette: We are offering to inspect your location in order to prepare for your difficult delivery.

In case of restricted access we use a crane or hoist. Another alternative is to take the keyboard off (upright piano) or take all moving parts off (grand piano) in order to use every space available.

Pianolas, chembalos, organs, antique instruments, specially shaped pianos. and other special requirements are as welcome as the straight forward request.

MATCO Piano Transport Ltd is fully insured for goods in transit and public liability.

We will answer your queries immediately and are on standby with our professional and dedicated specialist team.
