P. S. Pianos. A specialist piano shop. Being a piano tuner/ technician, with over 28 years experience, I would never encourage 'digital' pianos. My business is built upon my reputation and recommendations. My shop is mainly second-hand pianos with some new pianos. Uprights and grands are on show. I stock various manufactures from : Kemble, Steinback, Steinmayer, Steinhoven, Eisenstein Challen, John Broadwood & Sons, Chappell, Zender, Brimsmead, C. Bechstein, Neindorf, Hupfeld, Gors & Kallman, Stromenger, Yamaha, Kawai, Knight, Welmar, Marshall & Rose, Monington & Weston, Steinway, Bluthner, Spencer, Bentley, Rodgers, etc... I own and run a 'traditional' piano shop /workshop. For traditional service please contact Peter Smith @ P.S. Pianos, Paisley.
