Jaques Samuel Pianos has been providing pianos services to its customers for over 65 years. Our range of services is unequalled, including Piano Sales, Home Rental, Hires, Reconditioning, and Transport. Eighty years after Jaques Samuel began, we are considered by many to be the UK's premier piano house. A laureate of the Music Industry Association's "Retailer of the Year" award, we are also the largest piano hire company in the UK and sell more Kawai pianos than any other dealer in the European Union and just to keep us busy we tune over 6000 pianos a year! We have London's largest selection of practice rooms with 14 air conditioned studios for teaching, auditions, practice, and they are also used for music board examinations including ABRSM.
