G&R Removals, The Piano Movers G&R Removals are a family run business established in 1968 with a wealth of experience in all aspects of piano moving and storage. We have gained respect from some of the World's finest pianists through to the piano manufacturers and suppliers of the World's finest pianos. Please see our section of Testimonials..In our opinion this is due to our basic ethos of combining fully trained staff, a modern fleet of vehicles and commitment to a fair price structure and customer service. This has proven to be a successful combination as we have been awarded with a recognised Quality Service Standard BS EN12522. We are proud to be the only specialist piano carriers members of the British Association of Removers (BAR), FEDEMAC European Movers and the Music Industries Association
