Tyneside Piano Company has been providing the North East with superb quality new and refurbished pre-owned pianos since 1956.

With a fine selection of only the best new pianos for sale, we are the proud appointed agents for Steinway and Sons, throughout the North East and Cumbria, and also for Boston, Essex, Eavestaff, Reid-Sohn, Samick, Petrof, W.Hoffman (made by C.Bechstein Europe), Kemble, and Yamaha.

As a well-established family business, we aim to offer the kind of first class service and superb quality that you would find in a capital city, right here in the heart of the North East.

We have the finest selection of pianos for sale in the region, and are second to none for the quality of our reconditioned pre-owned instruments.

Our highly trained staff can help you with choosing the perfect piano for your needs and budget, as well as tuning, repairs, plus refurbishment and refinishing of your own piano.

Experience the delicious pleasure of owning a superior quality piano, which given the care and attention that we at Tyneside Piano Company can lavish on it, will not only last a lifetime, but will last for many generations to come. Enjoy the pleasure of playing a finely toned piano in your own home, made in a style and wood which befits the elegance of your décor, and matches your personal tastes to perfection. Relish the moments you spend with your beautiful piano, so tactile to the touch, perfect to the eye, and enchanting to the ear.

Not only is a piano a remarkable instrument to play, it is also a thing of beauty to behold, with gentle curves and strong lines, it graces any room with its presence.

A superb quality instrument from Tyneside Piano Company is a great investment, as quality never goes out of fashion:

Pianos for sale from world-renowned makers Steinway and Sons, recognised as the benchmark instrument
