Haslemere, Surrey GU27 1HN  
England

Phone: (01428) 658806

Chamberlain Music was started in Haslemere, Surrey in 1990 and has since grown to be one of the largest mail-order music suppliers in the UK, with a significant amount of business coming also from Europe. We are also one of the largest sellers of Yamaha pianos in the country, and we have a large, modern showroom in Haslemere in which a wide range of pianos, both new and second-hand, are always in stock.
