The Horsham Piano Centre was established in 1980 and although still on the original site it has grown steadily to now cover 2500 sq. feet of showroom and workshop. We stock new and reconditioned upright, grand and baby grand pianos with usually between 40-50 instruments at any one time along with a full range of piano stools, accessories and digital pianos. The piano makers that we deal with are: Yamaha, Kawai, Reid-Sohn, Samick, Gebr. Perzina, Steinhoven, Young Chang and many more. The used pianos can be from any number of manufacturers but we always have stocks of Yamaha U1, U3, and larger Kawai uprights. New pianos in stock range from
