

Central Arcade
Newcastle upon Tyne, Tyne and Wear NE1 5BP
England

Phone: 0191 232 1356

JG Windows Ltd is one the UK's longest established and largest music stores, with its flagship three storey shop located in the beautiful Central Arcade, in the heart of Newcastle upon Tyne. We have a second large store in Gateshead's Metro Centre and recently opened a third large store in Darlington town centre. We pride ourself on the wide choice and size of product range available to try in our stores, including acoustic and digital pianos, keyboards, synthesizers, electric, acoustic and classical guitars, amplification, electronic drums, woodwind, brass, string and folk instruments as well as a comprehensive range of CDs and DVDs and one of the country's largest printed music departments. Whether you're looking for a beautiful grand piano, a traditional upright, the latest digital piano, a MIDI controller or a starter keyboard, we will certainly have something that fits the bill in one of our stores. With the largest range of pianos and keyboards in the North of England, we'd always encourage people to come in and either try the instruments or see them demonstrated, before making a decision on a purchase. Interest Free Credit and other finance options are usually available (terms and conditions apply) and we also offer a piano hire service for special events. We'd encourage you to visit our stores for advice or to try or see products demonstrated. You'll always receive a friendly welcome. opening times
