Cunningham Piano always has a varied selection of pianos available for sale, from newly restored to new pianos, uprights and grands. If the piano you require is not in the workshop at the time of enquiry it can usually be found quickly from many good contacts in the trade at a competitive price. The price will include delivery within the Yorkshire area and the first tuning. Cunningham Piano Services is proud of the quality of service offered and will assume responsibility for the aftercare of any instrument bought if it is the customer's wish. It is therefore company policy to supply the best quality of instrument to every customer within the price range they can afford.
