Phone: 01506 491 747

Fun, enthusiastic and dedicated teacher providing tailor-made piano and singing lessons. I am more than happy to teach students whose priorities are playing/singing for fun, examinations or just the odd coaching session. I can also provide theory and Kodaly musicianship training.

I am a trained Kodaly Peripatetic vocal instructor for the National Youth Choir of Scotland and hold a Certificate of Continued Education in Advanced Solo Performance (Voice).

Qualification: Bmus (hons) Piano Performance
