I am a piano teacher with over 30 years experience. With a university training in classical music, I have also played in bands and duos over the years, so am familiar with all different styles of music. My lessons take place exclusively in students' homes, which most people find a lot more convenient. Age groups I will take on range from 5 years, with no limit to the upper age. Beginners and advanced are welcome, with help towards ABRSM or Trinity exams (although, of course, taking exams is not compulsory).

Qualification: Bachelor of Music; ABRSM Grade 8 piano; ABRSM Grade 8 theory.
