Hello! My name is Eliza Fyfe and I am a professional piano teacher based in Bristol able to teach students of all ages, across a wide range of different musical genres. I am a qualified music teacher with a BA Hons in Commercial Music, as well Grade 8 Distinction, and have many years teaching experience - helping students young and old learn to play the piano. I am passionate about helping students to learn through the music that they enjoy listening to, whether that is classical or modern styles, building a course of lessons around them. This individually tailored approach to each one of my students learning has ensured that my students learn at a pace that feels right for them, while still ensuring that the lessons are well structured and engaging for the student. I would be delighted to help you to learn to play the piano as well if you are interested - for more information don't hesitate to view my website www.mgrmusic.com/piano-lessons-bristol/
