Furniture Restoration and French Polishing in Manchester We are professional furniture Restoration polyester piano restoration and independent furniture report specialists covering Manchester and surrounding areas of the North West & North Wales. Diamond Restorations is a specialist furniture restoration company which covers the whole of the North West and North Wales areas. The company can deliver a professional and qualified service to a varied client base, ranging from loss adjusters, antique dealers, polyester piano repairs, public house refurbishments to high profile domestic work. We can also offer furniture and insurance reports where necessary. Our service is backed by 25 years' experience in the furniture trade, and with certificates in all of the furniture disciplines and a wood science degree from Bangor University. All of the work undertaken is guaranteed. We also provide a full and technical report writing service for the insurance industry, catering for the private individual and professional loss adjusters. The service covers the whole of the UK.
