French polishing and re-polishing of upright and grand pianos. Veneer and casework repairs. Please note, we do not spray finish, but carry out all work by hand. We also specialise in antique snooker tables, billiards tables, antique snooker dining tables, and antique furniture for sale. Each piece we sell is carefully restored by hand, using natural materials, and the best quality products available. Snooker and billiards items include: antique snooker tables, billiards tables and pool tables, antique snooker dining tables, antique snooker scoreboards, cue racks and accessories, and games room furniture. Our antique furniture for sale includes: antique dining tables, sets of dining chairs, armoires and wardrobes, antique cupboards, sideboards and dressers, and architectural antiques. Sourcing Service. If you can't find the piece you are looking for, please ask about our free sourcing service for antique furniture, snooker tables and accessories. We provide a French polishing and restoration service for your own antique furniture, snooker and billiards tables and pianos. Details in 'Services' Snooker Table Hire We have antique snooker tables available for hire, please see the page under 'Services'. Brown's is based in a beautiful converted barn in the village of Cardington, near Bedford, which has excellent travel links, close to the A1 and M1, and half an hour's drive from the M25. Please click on the 'Contact' page for postcode. Please phone or email us before travelling, as we sometimes carry out French polishing away from the workshop, and would like to ensure that someone is available to help you. Thank you.
