I graduated from the Royal College of Music and have 30 years' experience teaching piano to all ages and levels. I have been teaching at Doreen Bird College of Performing Arts for the past 9 years. For the last 3 years I have been an examiner for Trinity College London. I am comfortable teaching both classical and popular styles and am very familiar with exam syllabuses. I am willing to travel to the student, or you may come to me if you prefer - I have a Steinway!

Disclosure and Barring Service: yes
