HIRE A PIANO FROM £40 PER MONTH Rather than buying an old worn out starter piano try hiring/renting a new instrument that looks nice, stays in tune with a good action and touch from £40pm. If after one year you like the piano, you can purchase it with 100% credit of the rental paid or continue to hire without losing the discount. One complimentary tuning is included with the option to upgrade the piano retaining the discount. Hire a piano for a week! Hire a piano for a day! There is no minimum hire period with any piano and all pianos are under guarantee should any problem arise. Transport costs are not included and there is an additional charge for transport for four or more stairs be they up or down. Key facts No deposit required or minimum hire period 12 months credit applied if you purchase in the first year and the upgrade option. One complimentary tuning included and guarantee. Trade prices charged for delivery and collection but excluded in a sale if the piano has been hired/rented. Choice of Steinmayer, Kawai, Irmler and other used pianos in stock for example Yamaha, Bechstein, Steinway.
