

Markson's Pianos Piano Hire

Camden Town, London
England

As pioneers in the field of piano hire in the 1960's, Marksons have developed a wide and extensive hire fleet, ranging from the smallest six octave piano to Concert Grands. Naturally one of the greatest advantages to hiring is having the opportunity to "Try Before you Buy" thereby giving you the opportunity of getting used to the feel, sound, aesthetics before spending an appreciable amount of money on a capital purchase such as a piano. With our Hire with Option to Purchase Plan means that once you have decided to buy a piano a proportion of the hire fees you have paid will be deducted from the original purchase price specified at the time of commencing hire. The hire fee refund proportion is transferrable onto ANY piano you buy from us, but purchasing the piano you hire means you have been protected from any price increases which may have occurred. Do please feel free to call me on 020 7935 8682 if you have any further queries.
