## PEREGRINE'S PIANOS

137A Grays Inn Road .  
Bloomsbury, London WC1X 8TU  
England

Phone: 020 7242 9865

From our prominent shop on Grays Inn Road we offer a professional and efficient piano hire service, which is both reliable and professional. We are regularly installing our fine upright and grand pianos to venues not only throughout the capital, but further afield too. Our instruments are looked after by a team of professionally trained piano tuners and technicians, and our removal people are experts in their work. For concert and event hire we can provide instruments for wedding receptions, recitals, corporate functions, photographic shoots, recording sessions, television production sets (specific sets, periods and circumstances) or for location operatic rehearsals. Our pianos have appeared in many high-profile television programmes and in some of the finest feature films. Prices start from £390 plus VAT. For domestic hire we have modern upright and grand pianos suited to home use. We have numerous pianos on hire around South East England and our six month contract provides the option to purchase; rates start from just £50 per month.
