

Becs Leighton Music (Piano Accompaniment)

Bingley, West Yorkshire BD16 4ER
England

Phone: 07793069691

Hello, I'm Becs - an experienced accompanist and piano and flute teacher based in West Yorkshire. I have been teaching and accompanying since 1995 and I absolutely love what I do!

ACCOMPANIMENT: I provide high quality accompaniment for singers / instrumentalists across Yorkshire. I work as a rehearsal and concert accompanist for Village Voices Baildon, Barnsley Singers and Barnsley Youth Choir. I also offer freelance services to accompany singers and instrumentalists in performances, auditions and music exams.

Accompanying is specialist skill and I am responsive to the performers, putting them at ease and ensuring my accompaniment follows and blends with the soloists music. With strong sight-reading skills, I can provide short notice accompaniment if required. References available on request; testimonials and more information available at www.becsleightonmusic.com TEACHING: I am proud to provide piano and flute tuition to learners of all ages and abilities. Lessons are fun, personalised and promote great technique. We work on theory, technical skill, repertoire and creativity. Whether students are working towards exams or not, including all these elements in ways that engage every learner means students become well-rounded musicians from the start. Even the youngest beginners will be creating their own tunes and learning through games, apps, sound and movement. More information available at www.becsleightonmusic.com

Disclosure and Barring Service: yes
