

Horsham Piano Centre Piano Hire

1 Queen Street
Horsham, West Sussex
England

Phone: 01403 254223

We have a range of pianos which are available to hire. From small upright or digital pianos for those that want to try learning the piano before making a purchase to larger grand pianos that are for the concert platform. All hire pianos are delivered and set up by our experienced team to ensure that they reach the home or concert venue in the best possible condition. There are two main types of hire:-Commercial hire generally for concerts, weddings, corporate events and parties, this is normally for just one day or night although longer periods can be catered for.Domestic hire normally for those that are starting to learn the piano or returning players that are not sure if they want to jump straight in an make an outright purchase. The minimum period of hire for this scheme is 6 months.
