Our attractive recital room at The Red Hedgehog is available for hire for chamber music rehearsal, masterclasses, auditions and recordings. Our piano is a very fine YAMAHA C7 CONCERT GRAND which is in excellent condition and is highly-regarded by musicians who have performed here. Small ensembles can be accommodated (approximately 12-15 musicians). The venue is ideally situated only 100 yards from Highgate Tube Station on the Northern Line, diagonally opposite the carpark exit from the tube. The venue is soundproofed from the road, quiet and tranquil inside, with a relaxing ambience. The venue is wheelchair accessible. There are 3 toilets (one accessible) and coffee-making facilities.
