Piano House Ltd have been based in the Greater Manchester, and Cheshire area for the past 20 years, Martin Locke offers a quality personal service as a qualified piano technician, which is second to none. From our showroom we can find, supply and service your new or good quality second hand instrument. Martin also offers a reconditioning, valuation, concert and domestic piano tuning service, including repairs and regulation of your piano. Please, do not hesitate to contact us on +44(0) 161 442 6288 if you have any query about purchasing a piano or if you require information about tuning a piano or servicing a piano. We are based in the Northwest; however we do supply pianos throughout the UK.
