A large selection of carefully selected new and pre-owned upright and grand pianos from £500 upwards. Our clients are nationwide and, as a family business, much of our business comes via referrals. As dedicated piano specialists, we are involved in the world of pianos, including hire, removals, storage, restoration, valuations and tunings. Our long existence has enabled us to successfully network with reputable counterparts and tuners/technicians throughout the U.K. We pride ourselves on the best possible level of service and aftercare. You can easily book a hire, removal, tuning or valuation with us over the Internet!
