We are importers and distributors of new and nearly new pianos. We import from Japan and Korea to supply to the general public and trade customers. We carry a vast amount of used Yamaha and Samick and Young Chang pianos from Japan and used Samick and Young Chang pianos from Korea. Both our new and nearly new pianos are of the highest quality and are at very competitive prices. James Little & Paul Lampert have been in the piano trade for a combined period of 45 years (2004). Our knowledge of pianos is second to none and as we are an independent piano shop, we can offer complete impartiality when giving advice on anything to do with pianos. We are piano experts and we both are fully qualified Piano Technicians. We are based in Middlesex, just inside the M25 (J17) near Watford, Rickmansworth, Harrow, NW London. We have been in our current shop since 1992 and have been supplying pianos to the trade since 1995. All of our pianos come with a 5 year guarantee and we can promise you complete satisfaction. Wherever you may live in the U.K. we know that you will be satisfied with whatever piano you purchase from us. However if you are not, we offer a full money- back guarantee if not completely satisfied. We supply most makes of pianos. Please contact us regarding any brand name and we will do our best to supply it to you. We offer the following services:
