All ages and abilities welcome! I have perfect pitch so I can teach you any song you want to learn as well as the standard ABRSM grades up to grade 8. I have taught children as young as 6 and adults in their 70's. Lessons should be fun! I have an incredible pass rate for ABRSM exams and can offer a solid grounding in the basics of music theory which will aid children doing GCSE music at school.

Disclosure and Barring Service: Yes
