I am a fully qualified music teacher with a current DBS check. I am a very experienced tutor (have been teaching for over 15 years). I teach all ages and all levels. I am patient and creative, devising individualised learning plans to suit individuals. I work with a pupil's musical interests and preferred learning style/s. I can teach music reading and theory, but am also happy to teach by ear and can teach jazz and improvisation. I am experienced with entering pupils for grade exams if they want to do them, and have a very good track record for excellent results.
