Well established and dedicated Piano Teacher, Vincent Loke, LTCL. You will learn well and become a proficient piano player if you work hard. I am an enthusiastic and dedicated Piano Teacher and I have over 40 years teaching experience. For many years, I was teaching at the Yamaha Music School in Singapore as a Senior Piano Teacher. I am now based in England. I teach practical and theory from Beginner's level; Grades 1 to 8 and Dip Diploma level (Performance and Teaching) in the ABRSM and Trinity & Guildhall syllabus. I also teach students regarding the history, harmony, and structure of music. I help and prepare students for their exams, and many have attained distinctions. Several of my students have become Piano Teachers and Performers successfully. My interest in music ranges from the baroque era, classical, romantic, contemporary, jazz, gospel, and other varieties of music. If you are looking for someone to help you regain your interest and enjoyment in piano playing, do give me a call! You are never too late or too old to learn! All ages are welcome!
