We are here to sell and hire out fine, modern upright and grand pianos, and to provide a unique working environment in central London for the music profession. Peregrine epitomises the musician seeking to facilitate good music-making. For him friendly staff, integrity and an aspiration to quality are all-important; we work to standards at competitive price levels. Peregrine's Pianos is the exclusive dealer in London for two of the finest German piano manufacturers - August Förster and Schimmel. We also present a range of preowned modern pianos by various manufacturers.
