I am a fully qualified music tutor with a well-rounded knowledge in music in both academic and professional realms. I have studied Musicology, Audio Engineering, Composing for Film and TV, and I am a Grade 8 pianist. I have been tutoring for the past eight years children and adults, at conservatoires, private institutes, and one to one lessons. In addition, the last few years I have been working as a composer on various projects.

I teach classical piano, music theory, and songwriting.
Lesson`s topics are flexible depending on the student's needs.

Disclosure and Barring Service: yes

Qualification: Grade 8 pianist, BA in Musicology, Mmus in Composing for Film and TV
