Hello. My name is Andrea Monk and I teach piano in Weston-Super-Mare, Somerset. Over the last 32 years, I have taught students from age 7 to my oldest current student who is 83! I have written my own series of piano tutor books, which other local teachers also use. Each has an optional accompanying CD. Instead of students sitting exams, I provide a concert for all of my students to perform at, if they wish, 3 times a year. Trophies are awarded on the night for Best Speaker, Best Emotional Performance etc. I also arrange any style of music for my students; whether it is blues, folk, contemporary, songs from the shows etc. I also perform piano at weddings, play in live shows and work as an accompanist for soloists.

Qualification: Grade 8
