Based in Earls Barton, Northamptonshire. I teach from home, mainly adults but sometimes take on children. Our home is not pet free, but it's clean and tidy. We have parking available on the drive. I Offer exam preparation for those who want it, practical and music theory. I adopt a structured approach, and I do expect students to practise, every day if possible, but if not then a target number of hours per week is suggested depending on ability and age. I have a good sense of humour and am very patient. Prior to working as a piano teacher I have had a few different careers, so have a reasonably broad background, not just music! I am learning to play the cello and am progressing through ABRSM exams. I play in 2 local orchestras. I am 52.

Disclosure and Barring Service: yes
Qualification: Grade 8 piano, grade 7 music theory, grade 3 Cello
