"I've been meaning to email you since the wedding to thank you and your band for such an amazing performance at our wedding! Even those who didn't dance commented on how wonderful the music was, and I know that they enjoyed sitting in the sun outside, with such great music playing in the background. It was such a lovely, chilled out day, and the music totally suited the mood and atmosphere." (Luke and Naomi's

wedding).....Jazz You Like It is an extremely versatile jazz-based function band that can be customized to suit virtually any requirements.
