I am a classically trained piano teacher with more than 20 years of teaching experience. I have a Bachelor's Degree in Music with a Major in Music Education and a Minor in Piano and a Post Graduate Diploma in Curriculum and Instruction (Music). I teach to make the grades or for just learning for leisure. I have a 100% pass rate with most students passing with Merit or Distinction (ABRSM Exam Board). I teach both children (ages 6 and up) and adults. My forte is teaching children, but since moving to the UK in 2008 I have included adult beginners in my enrollment list. I am a very patient teacher with a friendly and calm demeanor that seems to be my forte in my piano tuition. I teach at my residence in Keynsham. Please take note that I do not go to students' homes to teach. Rates:. £25.00 per hour £20.00 per 45 minute £15.00 per half hour
